SCHOOL SONG

With loving hearts and joyous song we sing to M.G.S.
And tell the fame of that fair name for we can do no less.
We hope that we may honour bring, and heaven ever bless
Our school, the fairest in the land, our own dear M.G.S.

Down through the years our memories will keep a loving place
For friendships made and pleasures shared, and lessons learned apace.
For those who worked and gave their best that we might learn to face
The trials of life with faith and hope and nobly run the race.

And now we're proud to raise the shout and sing of M.G.S.
Lift high her banner, one and all, her name we now profess.
In work and play for honours won, today our hearts confess
The debt we owe, the love we hold for our dear M.G.S.
